

28TH ANNUAL **QIDC**

100 MILE YARD SALE DIRECTORY

JULY 18 & 19, 2025

Welcome to the 28th Annual QIDC 100 Mile Yard Sale

There are a few things you should know when you decide to participate in the QIDC 100 Mile Yard Sale.

1. Please make sure your gas tank is filled when you start out. There are some gas stations before you begin the route. They are in Clearfield, Woodland, Kylertown, Karthaus, Snow Shoe, Weedville, and Benezette.
2. We ask that you only purchase from those who have paid their \$10 fee to participate in this event. The people who have paid will have a poster displayed that looks like the picture to the right.
3. Please watch out for parked cars and be mindful of the people walking along the road. We do ask that you please pull off the road if you want to look from your car. There are people who travel these roads to get to their jobs.
4. You will see maps throughout this directory. They will show you where someone is located that placed an ad in the directory, as well as where there is a public restroom or a port a potty that we are aware of.
5. The QIDC 100 Mile Yard Sale Headquarters is set up at the big white stone building at the Y in Karthaus, PA (formerly known as Big M's Garage). Please stop by and say hello and let us know where you are from. We like to find out where our advertising is working.
6. Since this is mostly rural area, you more than likely will have spotty cell phone service or none at all. So please take this into consideration while in this area.
