

26TH ANNUAL  
**QIDC**

**100 MILE  
YARD SALE  
DIRECTORY**

**JULY 21 & 22, 2023**

# Welcome to the 26<sup>th</sup> Annual QIDC 100 Mile Yard Sale

There are a few things you should know when you decide to come to the QIDC 100 Mile Yard Sale.

1. Please make sure your gas tank is filled when you start out. There are some gas stations before you begin the route. Gas Stations are located in Clearfield, Woodland, Kylertown, Snow Shoe, Weedville, Benezette, and Karthaus.

2. We ask that you only purchase from those who have paid their \$10 fee to participate in this event. The people who have paid will have a poster displayed that looks like the picture on the right. The paid participants allow us to provide you with free directories and port a potties.

3. Please watch out for parked cars and be mindful of the people walking along the road. We do ask that you please pull off the road if you want to look from your car. There are people that travel these roads to get to their jobs.

4. You will see maps throughout this directory. They will show you where someone is located that placed an ad in the directory, as well as where there is a public restroom or a port a potty.

5. The QIDC 100 Mile Yard Sale Headquarters is set up at the big white stone building at the Y in Karthaus, Pa (formerly known as Big M's Garage). Please stop on by and say hello and let us know where you are from. We would like to find out where our advertising works. We will have a map this year for people to place a dot on showing where you are from.

6. Since this is mostly a rural area, you more than likely will have spotty cell phone service or none at all. So please take this into consideration while in this area. If you plan to use Google maps, they can be downloaded to your cellphone.

We would like to take a moment to thank the following businesses and people for sponsoring this event.

**Our main sponsors are:**

The following businesses have helped make the port a potties possible for this two-day event.

**Historica Plus**

**J & J Service**

**Donnell's Gift Shop**

**Deason's Get Hooked Bait & Tackle**

**And a few individuals that would like to remain anonymous.**

# BRINGING REGIONAL HISTORY TO LIFE

Work continues on bringing regional history to life at the Moshannon Valley Heritage Center in Philipsburg. Historic photos and regional maps covering a small part of Moshannon Valley's past are now displayed. Plans to install an interactive coal mine display are in the works, as well as local historic artifacts to be put on exhibit.

## DO YOU HAVE A STORY TO TELL ABOUT THE MOSHANNON VALLEY REGION?

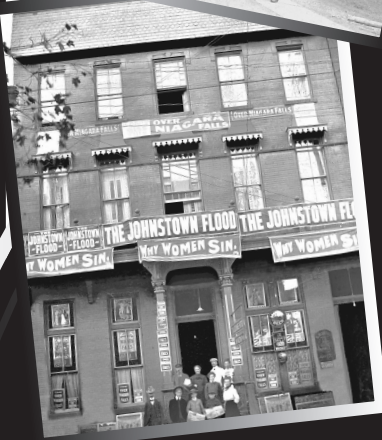

A recorder has been set up for locals to come in and tell their stories of growing up and living in the area. Stop by and **share what you remember about the coal, lumber, and railroad industry** in the area. **Tell us about fun times at Black Moshannon and the Susquehanna river.** *These recordings will be paired with a video sequence that will become a future exhibit at the Moshannon Valley Heritage Center!*
